

## Video Production

### Team Projects

#### **What: Campus Shots (10 points)**

Length: **1 minute**

Requirements: 10 camera angles. No foul gestures or audio. *\*storyboard not required*

\*Create a short film that captures life at Olympus with random and not so random shots of kids and staff on campus. Go out during break, lunch, athletic events, band practice, and then edit it all and make a fun film that we will all enjoy watching before the pledge in the morning. Tip: great music will always wake people up in the morning! **Your team must create 1 campus shots project.**

#### **What: O Show Opener (10 points)**

Length: Less than **30 seconds**

Requirements: Storyboard must be approved before shooting.

\*Create an opener for your group's show days that is no more than 30 seconds in length. Your opener should include the title "O SHOW" and introduce your group. Capture the attention of your audience with creative camera angles! Tip: watch the beginning of a major talk show, or news broadcast to get some opener ideas. **Your team must create 1 O Show opener.**

#### **What: O Show Reports (10 points each)**

Length: Maximum of **90 seconds**

Requirements: Storyboard must be approved before shooting

\*Create reports for your group's show days that are no more than 30 seconds in length. Your reports can include interviews, surveys, sports, music, movies, current events, campus events, and many more! Your team must **create 5 O Show Reports.**

---
